

CHARLES D. WYCHE, JR. ELEMENTARY

Mission

Charles D. Wyche, Jr. Elementary is charged to increase the proficiency of all students by allowing them the opportunity to expand their knowledge and skills through learning opportunities valued by students, parents, and the community. More specifically, the mission at Charles Wyche Elementary is to serve all children regardless of their capacity to learn, and according to each child's individual needs, by certified professionals in specialized areas in an enriched environment that promotes high academic standards of achievement and empowers children to lead productive and fulfilling lives as lifelong learners and responsible citizens in a technological, global society.

Vision

The desired future of Charles D. Wyche, Jr. Elementary is one in which teachers and administrators live in harmony as a professional learning community by celebrating the teaching of and learning from children, within the school's boundary, every day in a multitude of ways. In nurturing the gifts within teachers and students, and honoring parents, and staff, the community anticipates that it will find varied ways to capture learning gains that transcend test scores on high stakes measures; a result, that will be grounded in high expectations, a sense of responsibility, success, and respect from everyone involved in educating students.
