

STUDENT ACCIDENT INSURANCE: **It is mandatory** to obtain the HSR student accident insurance issued through the district. **No** child may participate in or attend the before and after school care program and select community education classes without this insurance. This is a supplemental insurance plan and it is required even if you already have family or individual medical insurance coverage. This supplemental insurance plan *DOES NOT* take the place of family or individual medical insurance coverage. It is your responsibility to become familiar with any insurance limitations and other information provided through this insurance. If you have any questions about student accident insurance, please contact the M-DCPS Office of Risk & Benefits Management at (305) 995-7129.

Students that wish to enroll in a Before care • After care • Story Hour • Summer program and certain community education classes without verified proof of the required Health Special Risk, Inc. (HSR) Student Accident Insurance will not be considered registered for a program or class even if they have paid for the program or class. Students without the HSR Student Accident Insurance will not be able to participate or attend the program if the program they have paid for or signed up for requires it.

To login or to open a new account and pay online for the required Health Special Risk, Inc. (HSR) Student Accident Insurance please go to the following website
